Greg,

I spoke with Ryan about Seven Hills this morning. The letter is in the front office for review but should be cleared soon.

You have the luxury of counting when you want to. :) Do you want to be interviewed for this?

Ryan has concurred on the draft letter we discussed last week. Have you had the chance to review?

And Region 9 spontaneously sent strong negative comments to the Corps on Rosemont. The District's permit decision has been under review by the Division for almost a year.

I wonder if this is in the context of recent Corps AK District pronouncements?

Any specifics on what is prompting this inquiry?

I believe that John Goodin, our Acting Office Director, may have worked on this...I'm copying him on this note.

I'm certain John will advise on next practical steps.

Thanks.

Antonio,

Would we have anyone around still who would have worked on this? I have OPA asking R10 as well. See below

**Reporter would like to know if there's anyone available who worked on the 1992 Alaska 1 % rule proposal or the 1994 Alaska Wetland Initiative. She'd like to interview them.**

**If yes, I'll get questions.**
